PROCESS FOR ADDING KBWTA AS AN "ADDITIONAL INSURED"

Request your insurance company to add Kachemak Bay Water Trail Association as an "additional insured" on the Commercial General Liability (CGL) insurance policy you have for the water trail site identified in this agreement. In most cases, this should have minimal effect on your CGL insurance premium.

In response, your insurance company should issue an "Additional Insured Endorsement" naming the Kachemak Bay Water Trail Association as an additional insured on your CGL policy and provide you with a "Certificate of Insurance" documenting that the coverage has been provided.

Please provide KBWTA with a copy of the "Certificate of Insurance" and a copy of the "Additional Insured Endorsement."
